PMS WEEKLY REPORT
Period Ending 27 April 1983

The third session of the Office of Logistics Procurement Workshop Series was held on Wednesday, April 20th, with  logisticians in attendance. This session was on Standards of Conduct. A 38 minute film described real life instances of misconduct by those involved in the procurement process. At the conclusion of the presentation, the moderators,   fielded questions from the group on specific CIA problems.
